

## 92 AY 2014-2015 Lessons Learned Report

**Prepared by: Steven Barrozo, Jaypee San Gabriel, Mark Anton Mamac**

**Date: 02 February, 2016**

**Project Name: UP Bike Share Mobile App**

**Client: Mrs. Rowena Solamo**

**Sprint Number: I**

1. What were the main lessons your team learned in this sprint?

We tended to overestimate what we can do in the span of 2 weeks.

We learned to always adapt to sudden changes especially in change in scope and Technology.

We learned that meeting with the clients on a regular basis is a crucial part to the Completion of the project.

2. Describe one example of what went right in this sprint.

We met with the client.

3. Describe one example of what went wrong in this sprint.

Overestimating what things can we do over the span of 2 weeks.

Not being adaptable enough to scope changes.

4. What will you do differently on the next sprint based on your experience working on this current sprint?

Allot spaces for sudden changes.

Allot more time for coding.

Build more synergy within the team and client.
