CS 192 AY 2015-2016
Lessons Learned Report

Prepared by: Jaypee San Gabriel

Date: 03/17/16

Project Name: UP Bike Share Android App

Client: UP Bike Share

Sprint Number: 4

1. What were the main lessons your team learned in this sprint?

It was a mistake to procrastinate on the work.

2. Describe one example of what went right in this sprint.

We are starting to master our respective technologies and roles. There should be no more reason for any kind of delay.

3. Describe one example of what went wrong in this sprint.

There's still a lot of work to do.

4. What will you do differently on the next sprint based on your experience working on this current sprint?

Push to finish as many functionalities as possible for the last sprint.
