Lessons Learned Report

Prepared by: Jaypee San Gabriel

Date: 03/04/16

Project Name: UP Bike Share Android App

Client: UP Bike Share

Sprint Number: 2

1. What were the main lessons your team learned in this sprint?

We are starting to realize there's not much time left, and we have to start pushing ourselves.

2. Describe one example of what went right in this sprint.

We've properly divided our work.

3. Describe one example of what went wrong in this sprint.

The past two weeks have been busy with other requirements, reducing our capability to work on this project.

4. What will you do differently on the next sprint based on your experience working on this current sprint?

Dedicate more time to working on the project.
